Clerk, Auditor City Attorney Get Pay Hikes

The city council Monday night finalized its new fiscal budget for salaries by granting pay raises to City Clerk Evelyn Mosman, City Attorney Paul Hupf and City Auditor Bob Hunter.

At the same time, the council held that pay hike requests of Police Chief Roland Petrocchi and City Librarian Sam Chandler—each claiming that his salary does not compare to other city department heads and nearby municipalities—would be checked out in a survey. But neither Petrocchi nor Chandler will be granted additional increases this fiscal year.

All city employees were

handed a five percent salary

increase in the new fiscal bud-

New Construction Dips But Still Hits \$1 Million

Daly City's June building totals dipped to \$1,035,277 in new construction after May's record month which soared to more than \$5 million.

Public Works Director Otis Calhoun said that last month there were 63 permits for new dwellings valued at \$934,117. Alterations to 29 dwellings amounted to \$35,810, while seven commercial alterations totaled \$45,550.

One church alteration amounted to \$3000 and two fire

damage repairs totaled \$2800.

One demolition at \$1000 and a swimming pool at \$4000 rounded out the June totals.

Total permits issued during the month were 104.

ELEMENTARIES STILL SHY 21 NEW TEACHERS

Dr. Vinton Stratton, director of instruction for Jefferson Elementary School District, today said that 21 more teachers have to be hired well in advance of September 14, the opening day of the new term.

Although the district to date has hired 30 new teachers plus a guidance consultant and a nurse, Stratton stated classroom teachers, special area teachers and long-term substitutes are still needed.

Monday night the board of trustees hired as new instructors Mrs. Laverne Kelly and Sam Tchakalian and accepted the resignation of Miss Wilma House and Miss Helen Paris. Sabbatical leaves of six months with full pay for that period were granted two teachers, Mrs. Eleanor Carle and Mrs. Margaret Clarke.

Mrs. Kelly attended College of the Holy Names and San Jose state where she earned her California kindergarten-primary certificate.

Thornton School Painting Job To Cost \$1937

Job of painting old Thornton School was awarded by Jefferson Elementary District trustees Monday night to low bidder Pearlman-Geiger Company for \$1937.

Other bidders were Modern Painters, \$2163, and Harry Grimes Company, \$2830.

In other action, the board called for bids on a 3/4-ton pickup truck, hired Gillis Wahlquist as building inspector at \$650 a month, authorized \$1600 for removal of trees on the M. Pauline Brown school site, and signed a shared-use transportation agreement with the high school district.

The board is awaiting bids for approximately \$105,000 in new furniture and equipment for the under-construction Abraham Lincoln, Thomas Edison and Daniel Webster schools.

At their July 16 study session, trustees will review the district's insurance and furniture policies and also hear a

get with the exception of the elective city clerk and city treasurer. Salaries of Hupf and Hunter, part-time employees, are set by council policy.

City Clerk Mosman's salary Monday night was upped from \$550 a month to \$600 as the council commended her superior performance and noted that in comparison to other cities, her wages were below par.

The extra \$50 a month for Mrs. Mosman was added to her monthly pay of \$100 as tax collector. She gets \$450 a month for the clerk role and this may be increased next year to bring her total salary more in line with those paid clerks in similar cities.

City Manager George Watts had recommended an increase in Hupf's annual salary from \$5933 to \$7200, again citing the city attorney's efforts and "long hours handling city business." The council settled for a \$6600 outlay for Hupf.

Watts had asked that Hunter's salary as auditor be moved from \$2200 to \$3000, but the council sliced this bid and granted Hunter a rate of \$2500. (Continued on Page 2)

Fontana Again High School Board Chairman

Elio Fontana, Colma monument company executive, was re-elected president of the Jefferson High School District board of trustees at its annual organization meeting last week.

Newest member of the board, James Cooper of Pacifica, was named vice president. Clerk is Mrs. Ann Eason, and Lyl Ingersoll is trustee representative.

District Superintendent Edward Morgan is the official secretary of the board.

This month the county superintendent of schools, assisted by a citizens' nominating committee, will appoint a replacement for trustee Raymond Whitney. The latter was forced to resign because he recently moved outside the district—from Pacifica to El Gai.

The high school board meets twice a month—on the second and fourth Monday evenings, starting at 8 p.m. in Westlake at 375 South Mayfair, second floor. Public attendance is encouraged.

PRETTY Pat Schasser, Miss Daly City, reminds residents that pennies for Mission street parking meters won't be necessary here on Dollar Days, July 15-18, when these merchants

BIDS OPENED ON OLYMPIA, BF ADDITIONS

Four firms submitted bids last week to Jefferson Elementary District for the job of adding three classrooms to Olympia School in Westlake and construction of a music room at Benjamin Franklin School.

Trustees asked Supt. Richard Foster to refer the bids to Architect Mario Ciampi who will check them out with the state and then make his recommendation to the board at its July 16 study session.

The four bids, each representing the cost of both projects together, ranged from a low of \$202,000 to a high of \$217,510.

For the three classrooms the bids were as follows: Adam Arras & Son, \$140,000; Erbentraut & Summers, \$154,490; Pacific Coast Builders, \$156,750, and Harvis Construction, \$166,000.

For the music room, bids were: Erbentraut & Summers, \$25,928; Pacific Coast Builders, \$28,100; Arras & Son, \$31,386, and Harvis Construction, \$32,000.

Pacific Coast Builders had the low total bid with a \$202,000 estimate, followed by Arras with \$203,146. Harvis with \$213,700, and Erbentraut & Summers at \$217,510.

ECONOMY is evident in artist's sketch of Abraham Lincoln elementary school, being built alongside Thomas Edison elementary on 22-acre site in

Westlake Unit 10—just south of Westmoor High School and east of Skyline. Lincoln, Edison and Daniel Webster (St. Francis Heights), all designed by Angus

McSweeney, are scheduled to open in January. The three new plants will cost a total of \$1.3 million. Builder is Louis C. Dunn company.

SPECIAL CENSUS

Population Here Climbs To 38,620

Final figures for the special census count which began here June 17, announced today by City Manager George Watts, fixes Daly City's new official population at 38,620, compared to the 30,506 recorded in 1956.

Watts said the new figure will give the city approximately \$65,000 in additional state apportionments.

Handling the special census here was Vernon L. Miller, special census supervisor from the Los Angeles district office of the U.S. Census Bureau. He was assisted by 36 citizens who were paid for going door-to-door.

Miller noted the swift rise in Daly City population, up more than 150 per cent over the last federal census in 1950. The figure here that year was 15,191 residents.

Watts said that while an

Two Narcotics Suspects Go To Superior Court

Two of the three San Francisco men arrested by Daly City police in the June 18 narcotics raid have been held to answer the felony charges in superior court.

Municipal Judge Charles Becker so ruled last week after preliminary hearing produced enough evidence to warrant prosecution in the higher court.

Edward R. Gallegos, 19, and James C. Mackie, 23, are awaiting superior court action, while their accomplice, Leroy Louis, 28, will return to municipal court on July 20 for further preliminary testimony.

San Francisco police also have a warrant for Louis on a rape charge.

All three had been in trouble with the law prior to their apprehension here. Gallegos was on federal probation for transporting marijuana across the border from Tijuana, Mackie served time for a Daly City burglary, and Louis' record is studded with arrests ranging from assault to armed robbery, according to Daly City officers.

Late Hour Card Game Results In Arrest Of Four DC Auto Men

Four local dealers in cars were arrested at 10:30 p.m. Monday for dealing in cards.

Frank Imperatrice, owner of Imperatrice Motors, 7096 Mission street; Donald E. Finch, general manager of Columbus Motors, and Douglas S. Alman, a car salesman, were arrested on gambling charges by Daly City Officers William J. Schumacher and Sgt. James W. Sunderland, after the two policemen watched the men play "blackjack" in the office of Columbus Motors, 7276 Mission street.

The fourth man, John P. Karkazis, also an auto salesman, was arrested on charges of inhabiting a gambling place. The four are scheduled to appear in South San Francisco municipal court on July 16. Each was released on bail.

Schumacher said he noticed a light in the Columbus Motors office at 10:30 p.m. and became suspicious. He pushed the door open and went to the table where he found Imperatrice, 48, 16 Garden Lane, Colma; Finch, 28, San Rafael; and Alman, 27, Auburn, playing cards. He said Karkazis, 21,

233 Lakeshore drive, San Francisco, was watching.

Schumacher reportedly saw large denominations being wagered by the players. The officer stood and watched the game as the men paid no attention to him and continued playing. When Schumacher asked, "Working late?" the men answered that they were.

Ten minutes elapsed and then Schumacher called Sunderland. The two officers watched from the window for 15 minutes and then entered. A total of \$259 was confiscated from the table as evidence. Imperatrice had \$130 in front of him, Finch \$97, and Alman \$30.

The auto dealers were taken to police headquarters along with the cards and money.

New Pershing School Parcels Cost \$78,250

Jefferson Elementary District trustees Monday night accepted offers to sell from six homeowners whose property adjoins General Pershing school. The package transaction is to secure an expanded site for the Pershing School replacement—due next year.

The owners are: Mr. and Mrs. John F. Fields, Mr. and Mrs. Henry Daimau, Mr. and Mrs. Ludwig Novosel, Mr. and Mrs. Antonio DeJesus and Mrs. Anna Mae Brooks, all of Riesel street; and Mr. and Mrs. Arthur Rovengno of Hanover street. Total cost for the property will be \$78,250.

Two of the property sites were \$400 to \$500 over district appraisals but the District Attorney said it would not be worth the added expense to go through condemnation proceedings.

The purchase of the property will complete the site negotiations. State approval is needed by the board before the action is finalized.

Elementary Students Will Attend Longer Under New Calendar

Jefferson Elementary School District trustees Monday night adopted their calendar for the new school year beginning this fall.

School will open on Monday, September 14, and will close on Friday, June 17.

This amounts to a total of 179 teaching days compared to 177 last school year. The state requires a minimum of 175 teaching days.

MORE TRIMMING LOOMS AS LEVY STAYS NEAR \$1

Still undecided on the tax rate and ready to make more cuts, the city council next Monday night is expected to give preliminary approval to the new fiscal budget of more than \$1.6 million.

Last Monday evening councilmen began their department-by-department scrutiny with City Manager George Watts to see what could be trimmed to keep the new tax rate around \$1—compared to the 92 cents per \$100 valuation rate last fiscal year.

Councilman Joseph Verducci and Francis Pacelli, both facing re-election next year, believe a rate below \$1 is logical and sufficient to finance the record budget, citing that economy was what the council pledged when victory at the polls on sales tax guaranteed this steady flow of funds to help keep the tax rate down and bolster the capital outlay program.

Councilman Micheal DeBernardi, on the other hand, Monday said he thought a lower than \$1.02 tax rate would be "in bad taste" since "actually this \$1.02 represents the same rate local residents paid last fiscal year."

DeBernardi explained that the difference of 10 cents was due to the fact the city now collects the full library tax, instead of citizens paying part of the levy to the county and the rest to DC. Thus residents here don't have to pay the county and this tax goes to the city.

DeBernardi added that "slashing the budget just to make the tax rate lower would create a problem."

"In the next three years, we'd have to jump the rate considerably. Why cut the rate considerably now and then come back in the next few years with big tax boosts?" he asked.

Mayor Edward Dennis and Councilman Bob St. Clair agreed with DeBernardi in his "hold the line" tax assertion. But both Dennis and St. Clair believe a few more cuts in certain departments could bring the rate near or slightly below \$1.

Verducci opined Monday that within the next few weeks (before the budget is finalized) as much as \$50,000 could be eliminated from the various departments to bring the tax rate well below \$1 and even close to the 92 cents of last year.

Watts, however, feels a rate around \$1 is the most feasible in view of his recommendations for 19 more personnel and the need for more services.

He was asked to give the council by next Tuesday's budget study session a priority list of the personnel needed, rating which requested employees are the most essential.

The list of nineteen includes six new firemen and a fire battalion chief, three more police officers.

(Continued on Page 2)

Lewkowitz Still JESD Chairman

Service station owner Joseph Lewkowitz, 501 Vista Grande avenue, last week was re-elected chairman of the Jefferson Elementary School District board of trustees.

Other trustee assignments made at the annual reorganization meeting were: Frank Verducci, vice chairman; Wayne Douglas, clerk; Mrs. Katherine Mullen, assistant clerk; and Thomas Noonan, board representative.

PUBLIC HEARING ON JESD BUDGET SET AUGUST 3

Public hearing on Jefferson Elementary School District's new fiscal budget will be conducted on Monday night, August 3, Superintendent Richard Foster announced today.

The meeting will be held in the district office, room 224, at 48 Park Plaza drive in Westlake. Starting time is 8 p.m. Foster and Asst. Supt. David Shapiro will review the budget, explain its tax breakdown, and answer all questions pertaining to expenditures and district projects.

MINUTES before his jet take-off Saturday for Annapolis, Jefferson High graduate Bruce G. Freeland, son of Mr. and Mrs. George Freeland, 156 Irvington street, Daly City, is told "full speed ahead" by Navy Recruiter Chief K. C. Gaddis, 6705 Mission street. An honor graduate, Bruce will begin his plebe year at the U.S. Naval Academy this month.

Westlake Motel Has Dryer Coin Boxes Looted

Two coin boxes on clothes dryers were broken into at the Westlake Motel, 32A Westlake avenue, Tuesday.

The amount taken from the boxes is not known as of yet. Mrs. Diane Bell, 17, 299 Miriam street, reported the theft to police. The coin boxes on two washing machines in the same room were not tampered with.

Population 38,620 Here

(Continued from Page 1)

other federal census is due next year, the city wouldn't benefit from this tabulation until 1961. Thus the reason for last month's special count here, a move that cost the city \$4000 but which will bring the additional \$65,000 to the city treasury in apportionments.

'Drill' Burglary Suspect Here Jailed In SF

Zekial Martin, sought for two attempts of burglary here, has been arrested by San Francisco police and indicted by the San Francisco Grand Jury.

Martin is believed to be the burglar who on June 13 drilled a row of 51 three-quarter inch holes across the rear door of the Casbah Restaurant, 6192 Mission street, but was either scared away or gave up in frustration.

He is also suspected of entering the Alexander Juma Realty Company, 6029 Mission street, on June 10 by use of a drill and prying tools. Twenty 4-cent stamps were taken from the realty office.

Two notes were found on Martin when he was booked, according to SF police. They read: "Tiny's no burglar alarm" and "Casbah, no burglar alarm, no one lives upstairs."

Heater, Garbage Unit 'Missing' From New Home

Irwin Smith, building superintendent for the Henry Doelger Company, reported a water heater and a garbage disposal unit missing from one of the homes almost completed at 353 Northaven drive, Tuesday morning.

The heater, valued at \$89, and the garbage disposal unit, valued at \$35, were taken between 4:30 p.m. Friday and 8 a.m. Monday.

Hit-Run Cyclist Breaks Girl's Arm

Barbara Ann Terry, age 8, suffered a double fracture of the right arm Monday when she was struck by an unidentified teen-ager riding a bicycle on the sidewalk at Glenwood drive and North Mayfair avenue.

She was walking with her small brother when they were both bowled over by the rider. The young boy was unhurt while the girl was treated for a broken arm at St. Francis Hospital in San Francisco.

The girl's father, Edward Terry, 948 North Mayfair, notified police of his daughter's injury.

Clerk, Auditor, City Attorney Get Pay Hikes

(Continued from Page 1)

The police chief, on a salary of \$9996 a year, last week told the council he felt his salary was not consistent with that of other police employees on a percentage basis.

The city librarian also appeared before the council last week and made the same statement. Chandler is salaried at \$546 a month and he pointed out that he was about the lowest paid librarian on the Peninsula.

City Treasurer Paul Selmi, whose term expires in 1960, also will be called in by the council to discuss the salary for his office. An elected official, Selmi makes \$400 a month.

ELEMENTARIES STILL SHY 21 NEW TEACHERS

(Continued from Page 1)

many teaching credentials. Her previous experience includes two years in San Diego county.

Tchakalian will be a long-term art substitute for Mrs. J. Anne Richards while she is on maternity leave. Tchakalian earned his California special secondary credential in art. He served as a substitute teacher in San Francisco last year.

Resignations were accepted from Miss House who is moving to Florida, and Miss Paris who is moving to St. Helena. Miss House has been in the district one year, serving as General Pershing third grade teacher. Miss Paris served two years as Vista Mar first grade teacher.

Mrs. Carle and Mrs. Clarke's itinerary during their sabbatical leaves include stops in Ireland, England, Scotland, Denmark, Holland, Germany, Austria, Switzerland, France, Italy, Greece, Spain, Portugal and Canada. They plan to leave at the end of September and return the first of April.

Mrs. Carle teaches first grade at Jefferson School and has taught in the district for 26 years. Mrs. Clarke teaches fifth grade at Crocker School and has taught 32 years here.

Council Still Hesitant On New Tax Rate

(Continued from Page 1)

members, one finance department addition, and the rest in the public works department.

Watts suggested that some \$16,000 could be trimmed off the new budget if the council doesn't include the salaries of the seven requested firemen in the budget until they actually are hired late in the year.

The council trimmed some \$1500 off Watts' departmental requests Monday night as they looked for items that could be eliminated. The \$1500 represented \$1000 off the council's conference expense account and \$500 off Watts' recommendation that City Auditor Bob Hunter be granted a raise from \$2100 a year to \$3000. Hunter's salary was set at \$2500 a year instead.

Thornton School Painting Job To Cost \$1937

(Continued from Page 1)

report from Supt. Richard Foster on the transportation outlook this fall for Palisades area children.

Many parents in the Palisades, supported by the Westlake Subdivisions Improvement Association, have asked that bus service across Skyline be restored this fall. Late in June this year, parents were notified that the district—with the opening of the new schools near Skyline—would have to eliminate bus service for Palisades children, most of whom are attending Vista Mar Elementary on Southgate avenue. The parents and an association maintain that Skyline is too dangerous for small youngsters to cross on foot.

The school district's policy, set by state law, is that youngsters cannot be bused if they live within three-fourths of a mile from the school they attend. Bus service for youngsters beyond this distance does not entitle the district to state funds. However, the three-quarter-mile policy is flexible and trustees are agreed that the Palisades problem is unique and the parents are justified in making the request.

Chickenpox, German Measles Rise In County

San Mateo County Health Bulletin for the month of June shows that chickenpox and German measles cases have risen 50 percent over figures last year for the same period.

In June of 1958 there were 20 cases of chickenpox and 32 of German measles reported. Corresponding figures for this year are 71 and 77 cases. Daly City last month had only one report of chickenpox and three of the German measles.

Daly City, however, led the county in cases of mumps. The five individuals with the mumps were reported in Redwood City. Although there were no strep infections last month in Daly City, the county total soared from four cases in June 1958 to 53 for June 1959.

Rapid Transit Districts Engineer Team Begins County Conferences

Engineering planning for a Bay Area rapid transit system will move into high gear during the next three weeks.

Chief Engineer Kenneth M. Hoover of the five-county Bay Area Rapid Transit District said today he has instructed his three-firm team of consultants to move engineering forces into all five counties as soon as scheduled conferences with county and city officials have been held.

"The purpose of these conferences," Hoover said, "will be to establish a full working partnership between our engineers and the elective officials and technical experts of the county and cities within our district."

"Only through such a working relationship can we develop a rapid transit system acceptable to the various areas and capable of performing the functions it must perform."

Hoover said the five boards of supervisors have scheduled conferences including one in

San Mateo at 10 a.m. on Monday, July 13. Hall of Justice and Records, Redwood City. Daly City officials will attend this session.

At the district's request, invitations to attend the conferences are being extended to mayors and county and city managers, engineers and planning directors.

"We will use these conferences to explain our methods of procedure and plans in conducting detailed route investigations and other local studies," Hoover said. "We will seek the full cooperation and help of the technical experts in each county so that we can benefit from their knowledge of local conditions and problems."

Hoover said aerial mapping of route areas in all five counties is nearing completion to aid in the detailed route investigations about to begin.

Local studies in Alameda, Contra Costa and Marin counties will be conducted by the Tudor Engineering Company.

Studies in San Francisco will be handled jointly by the firms of Parsons, Brinckerhoff, Hall and Macdonald and the Bechtel Corporation.

Wilsey and Ham, an engineering and planning consulting firm with headquarters in Millbrae, has been retained to conduct local studies in San Mateo county.

DC Police Send Milwaukee Lad Home 'In Haste'

An 18-year-old who ran away from his Milwaukee home was picked up in Westlake early Sunday morning by Officers Jeff Wetmore and Charles Terry after he spent but one hour in San Mateo county and only one day in California.

Stanley E. Wolkneim was spotted driving on the wrong side of the street at Park Plaza drive and Alemany boulevard. Wolkneim told the policemen the car belonged to his mother and he was visiting friends. When the two officers asked "he addresses and names of his friends he could not name any."

He was asked what was under the front seat. He replied, "Nothing." The police found two cameras. "Who does the white sidewall tire belong to," was the next query. Wolkneim said, "The car." But there wasn't a white sidewall on the car.

The youth was taken to the police station where he admitted to Officer Jim Welsh that he had left home without permission. Wolkneim told Welsh he had taken the car from his father. The auto belonged to the A. O. Smith Company, his father's employer, and was returned to the Newark, California, firm.

The boy's father said his son had withdrawn \$1100 in savings from the bank and made the long trip. The younger Wolkneim was sent home by plane with a possible auto theft charge facing him. The case was turned over to Lieutenant Robert Klopfen of the Milwaukee police department.

THE RECORD

NORTHERN SAN MATEO COUNTY'S LEADING NEWSPAPER

Formerly the Daily City Record

Entered as second class matter March 30, 1922 at the Post Office of Daly City, California, under the Act of March 30, 1879.

Published Weekly \$4.00 per year
3317 San Jose Avenue Telephone Plaza 5-4321

Marchbanks Enterprises, Inc. Publisher
Harold P. Bradshaw Editor

NO ROOM FOR FREE-SPENDING

Daly City residents face an 8 or 10-cent jump in the property tax rate if the council's proposed new fiscal budget—due for preliminary approval next Monday—is accepted as now drafted.

Majority feeling in budget trimming sessions thus far is that the tax will be boosted to either \$1 or \$1.02 per \$100 assessed valuation—compared to the 92 cents levy of the fiscal year just ended.

We cannot challenge the need for more services to accommodate a heavier population, the hiring of at least a dozen new personnel (mostly firemen and police), and the council-granted cost-of-living salary hikes for city employees.

But we do trust that the council will exercise practical economy in some departments where excess outlays are both unnecessary and too costly.

The council, literally "saved" by the victory of sales tax at the polls, would do well to remember its pledge to "hold the line" on property taxes.

While even a \$1 tax rate is still considered fairly low in comparison to other similar sized local communities, an eight to 10 cent boost this year might be weighed as a sizeable hike in view of the council's "hold the line" pronouncement.

Maintaining a steady tax rate is possible thanks to sales tax. But there is still plenty of room for economy even when this new source of revenue paves the road to progress.

North County Girl Scout Tells Impressions Of Big 'Roundup'

By Servat Ojakian

Barbara Golladay, North San Mateo County Girl Scout correspondent for the Colorado Roundup, July 3-10, has just sent some very interesting news on what's going on at Colorado Springs.

Barbara and the rest of the Girl Scouts of the North San Mateo County patrol of eight girls are having a wonderful time.

Here are a few interesting things that have happened so far at the gigantic encampment of some 8500 young ladies from every state in the union and 27 foreign countries:

On July 3, the 48-star flag was flying all night with a spotlight on it, and filming for the Dave Garroway show of July 7 took place.

On July 4, the Alaska patrol hoisted the 49-star flag and Eleanor Steber sang the Star Spangled Banner.

On July 9, our section went on tour to the Air Force Academy and the Garden of Gods.

Barbara stated in her letter that the group of Girl Scouts arrived on July 1 and found Colorado Springs "a very nice place, and it is interesting meeting new people."

The girls boarded a Western Pacific train in Oakland on June 29 at 5:45 p.m. The train was the "Big Tree Special," consisting of seven cars of girls from Northern California.

Along the way they stopped at Fremont, Stockton, Sacramento, Oroville, and finally at Portola. Just when the girls were almost asleep, they were awakened to meet the New Girl Scouts who got on their car.

When they woke up the next

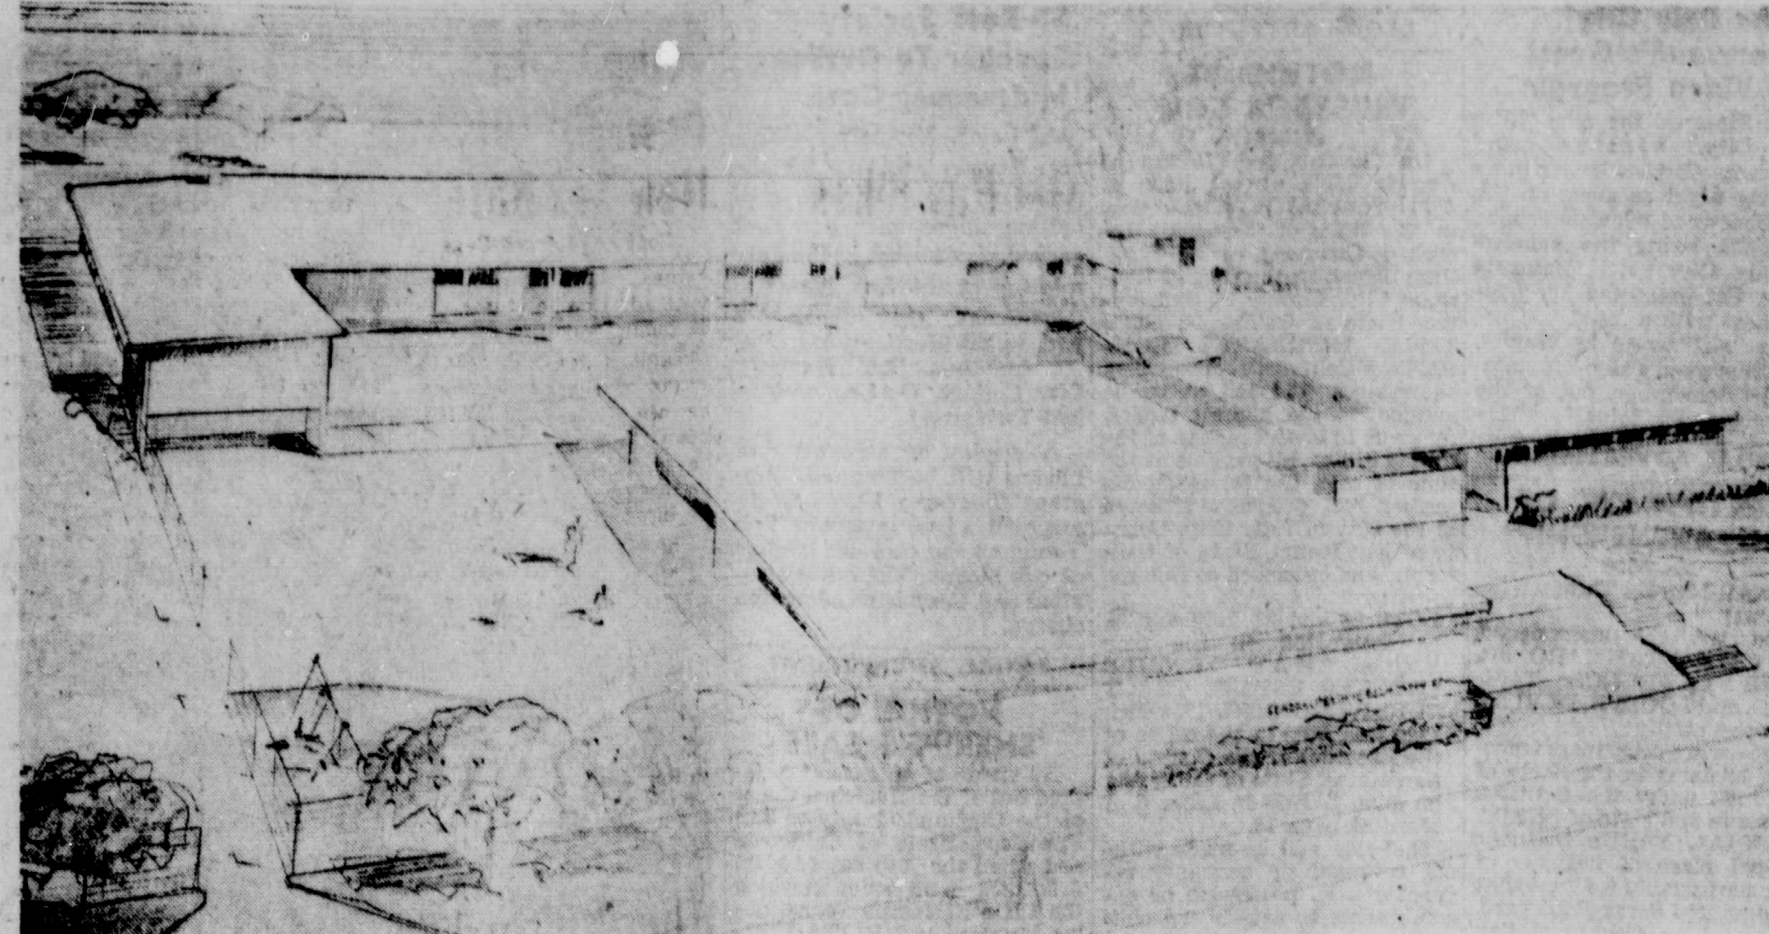

Sports Feature Snell PTA's Big 'Family Night'

James L. Snell PTA's summer recreation program hits the high mark next Tuesday evening when "Family Night" is scheduled at Garden Village School playground.

Second annual father-son softball game will begin at 6:30 o'clock. Also featured will be mother-daughter volleyball and tetherball.

Cake baking awards will be presented and refreshments will be served.

Participating will be residents of Broadmoor, unincorporated Colma and Sterling Park.

THIN artist's drawing (only one available) show what the new General Pershing School will look like. Angus McSweeney is the architect for the five classroom project which will replace the ancient school on Hanover street. Six new school.

Stan Sugarman Heads W'lake Business Assn.

Stan Sugarman of Sears Roebuck has been named new president of the Westlake Business and Professional association.

Sugarman was named to succeed Don Davis of J. C. Penney for the 1959-60 year, at a dinner meeting held Tuesday at Westlake Bowl.

Other new officers elected for the coming year were: Rudolph Richter of Richter's Interiors, first vice president; Art Longman, W. T. Grant manager, second vice president; Fern Warner, Fern Warner Maternity Shop, secretary; and Joseph Brickley, assistant manager, First Western Bank, treasurer.

Davis will act as an ex-officio member of the board of directors.

In other business Tuesday the merchants group outlined promotions for the remainder of 1959 and discussed the forthcoming openings of several new Westlake businesses.

More Than Half Million Veterans Still In College

Despite a 20 per cent drop under last year in the number of veterans training under the Korean GI Bill, well over half-a-million Korea veterans were enrolled in the spring school term just ended, the Veterans Administration reported today.

In fact, VA said, one in every seven males on the college campus this spring was a veteran attending under the Korean GI Bill.

Last year's total for the spring term was nearly 700,000. This figure wasn't far below the all-time peak of the Korean GI Bill in 1957, when more than three-quarters-of-a-million veterans were attending the nation's schools and colleges.

Veterans' enrollment this coming fall will be near the half-a-million mark, VA predicted.

In the years ahead, under the present law the numbers will decline still further. The Korean GI Bill education and training program, now in its seventh year, comes to an end January 31, 1965.

BIG ITEM IN NEW BUDGET

City Finance Chief Says New \$10,000 Machine Is 'Necessity'

By Lou Lucia

Joseph Arch, Daly City, Director of Finance, has high hopes of getting a \$10,000 Burroughs 503 Sensimatic Punch Tape Machine when the city council adopts its new fiscal budget.

Arch said his department already has two Sensimatic 500's, but an increase in the work load makes a third machine a necessity.

"At the end of last month we needed 70 more working hours. In the future—without the new machine—we could possibly be

as much as a month behind," he declared.

Arch explained that the punch tape unit allows a tape to be made while the secretary is typing a form on the other part of the machine. The two machines already in use here do not have this "dual" function, thus the new addition would certainly speed up the overall process, saving time and the need to hire additional personnel.

The new punch tape machine will save a week's working hours, Arch estimates. The used

tape is sent to a service bureau which will return reports which reflect the financial status of the city. "We are doing this now but more man hours can be gained with the machine as it cuts down typing time," he explained.

A cost accounting of the city will be kept by the machine. This includes what a particular street costs to repair, how much it costs to build a park, etc.

The machine will be used for the general ledger which depicts the complete financial status of the city including everything that the city owns and owes, Arch declared.

Arch believes a vast improvement will be made if a new purchasing procedure manual, which is currently being studied by the city attorney and will later be handed to the city council as a bill or resolution, goes into effect.

The change in requisition procedure will allow central storage at the central warehouse and corporation yard, and the city will be able to buy in quantity, he said. "This means of procedure will cut down the purchasing volume as all departments won't have to put in separate requests for supplies. They will be centrally bought and located," he added.

"Judging from other cities which have used this system, the city will not only save money, but employees' working time will be saved," he pointed out.

Arch calls the general ledger the heart of the finance department. Complete financial structure of the city at any given time is listed on the ledger.

"If a taxpayer came into the office and asked for the financial status of the city I could go straight to the ledger and give him the figures," Arch declared.

"Most people believe that all we do is just collect money, but this isn't so. The finance department also pays city bills, bills the citizens and prepares the payroll for city employees. Bulk of the expenditures goes for salaries," he commented.

He listed property taxes as the largest item of income, supplemented by licenses, permits, franchise taxes and water sales and service. The state aids through motor vehicle licenses, gas taxes and alcoholic beverage tax returns, he added.

New State Laws Aid Election Procedures

Governor Edmund G. Brown has signed into law two bills, authored by Assemblyman Louis Francis of San Mateo county, to make public voters statistics and to facilitate the work of volunteer precinct and other workers in election campaigns.

One measure directs the county clerk or registrar of voters to compile the number of voters by party affiliation in each assembly, senatorial, or congressional district located in whole or in part within the county, and to make it available to any voter residing in the county.

It also provides that such lists shall be compiled between the first day of January and the first day of February.

Francis declared, "Voters statistics are of public interest and any voter residing in the county should be entitled to obtain them for any purpose he desires."

The other Francis bill provides that boundaries of precincts for the general election shall be the same as those established for the direct primary election, except to the extent necessary to change precincts for population changes and to divide precincts containing more than 250 registered voters.

Another exception in the bill is to permit changes of precinct boundaries due to supervisory, judicial or council district changes, incorporation of new cities, annexation to cities, or exclusion by cities.

FINDING OIL

A seismograph crew, according to the National Automobile Club, works, thirty months to find one successful oil prospect and a year to find a little over a million and one half barrels of oil.

TRAFFIC ACCIDENTS

Cars that did not have the right of way injured 608,400 and killed 3890 persons on U.S. highways in 1958, reports the National Automobile Club.

Fiesta 'Dream Girl' Contest Judges Named

Judges for the Fiesta Dream Girl Contest were announced today by A. J. Gaggero, manager of the San Mateo County Fair Association.

Named to the panel that will elect the county's most beautiful girl from a field of 12 entrants are:

Pat Mason of the Mason-Kahn Dance Studio, San Francisco; Nerice Fugate, House of Charm, San Francisco; Ray Moulin, who heads a photographic studio in San Francisco; Pete Abenheim, television "Captain Fortune," and Summer Rulon-Miller of Cunningham & Walsh, San Francisco advertising agency.

The Fiesta Dream Girl will be awarded an all-expenses trip to Hawaii, via Pan American Airways, a wardrobe, courtesy of Macy's Hillside and a course at the House of Charm. She will represent the county at the California State Fair, where she will compete for the "Maid of California" title.

As official hostess of the Fair and Floral Fiesta, the Dream Girl will assist in opening the Fiesta Bowl shows and officiate at all functions connected with the Fiesta.

She and her court will be entertained at dinners and luncheons and a box seat will be reserved for them in the Turf Club at Bay Meadows Race Track during the fair.

Higher Interest On GI Loans Is Explained

The new higher interest rate which can be charged for GI loans on or after July 2 has no effect upon loans closed before that date, Veterans Administration officials pointed out today.

Loans closed on or after the July 2 date may be charged the new higher rate unless the lender has previously made a binding commitment to grant the loan at a lower rate, they added.

VA officials said their explanation followed a series of inquiries from puzzled veterans following announcement of the new rate. Once a loan has actually been closed, subsequent legislation has no effect on the interest rate charged for that loan, they said.

Something For Everyone

By Sam Chandler
City Librarian

Come fly with us on a magic carpet to a land that is bursting with treasures, where the men are all heroes and the women are ladies of beauty and renown, where King Arthur rules with his Guinevere and Cinderella with her prince, where Robin Hood fights for the poor, and Buffalo Bill rides again.

This is the land of beauty and travel, of adventure and blood curdling screams, of knights and pirates, of basketball heroes and what have you.

This is the land over the rainbow, the never never land of Peter Pan.

This is the land of books. Nearly 100 boys and girls from Daly City have been transported to this land on a magic carpet spread for them by the summer reading program of the Daly City Public Libraries.

Outstanding among the boys and girls are Elizabeth Cecchi, James Won, and Rosemarie Stabile who have read and reported 20 books since the close of school. Nancy Collado has read 15; Linda Sue Gale has read 15; Patricia O'Donnell on 12 books; Sandra Campbell, Paul Craig, Janet Kordoules, Paula Mallet, Carolyn Person, James Tyrrell, Linda Won, and Lloyd Chandler have read seven books and reported on them. Sixteen other children have read and reported on three to seven books.

According to Miss Kraus, when a child has read three books a name plate with a bar across it is placed on the magic carpet. When he has reported on seven books a square is placed upon his name plate. A triangle is affixed when he has read 12 books, and a diamond at 15 and a circle at 20.

So here's our invitation to all the children. Come fly with us on our magic carpet. You'll discover a land of both fun and knowledge.

Francis' Bill On Arrest Bail Inked Into Law

A bill by Assemblyman Louis Francis of San Mateo county was signed into law today by the Governor to give arrested persons who are charged with misdemeanor offenses certain rights and to prevent some abuses in bail situations.

The measure authorizes the officer in charge of the jail and the clerk or the justice of the municipal court to approve as well as accept bail. It further provides that bail may be so approved and accepted in an amount fixed by the order admitting to bail as well as the amount fixed by the arrest warrant or schedule of bail.

An important provision requires the judges in each county to prepare and adopt by majority vote a county-wide uniform bail schedule. The judges are also required to meet not less than one and not more than two times each year in the county for the purpose of establishing or revising county-wide uniform bail schedules.

Francis explained that this bill will facilitate the release of persons who are arrested during week days and holidays for misdemeanor offenses and the judge is not available in court.

The Capitol Building at Washington, D.C., is situated on a plateau 88 feet above the level of the Potomac River.

CITY finance director Joseph Arch, above dictating to secretary Charlene Aday, supervises a staff of 10 personnel who keep the books in order and can pinpoint where every penny is spent. Mechanization of the finance department and similar improvements in the city clerk's office have given

Daly City a highly efficient, centralized system of budgetary and bookkeeping control.

THE RECORD photo

FAMILIAR faces, you say? These ladies (left to right), O'Neil and Wilma Riley, handle payment of water bills at the city finance office. The work load keeps the 11-member finance department staff busy the full eight-hour day.

NOTICE TO CONTRACTORS

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 150 Oak Street, San Francisco, California, until 10 A.M. o'clock on TUESDAY, JULY 21, 1959, at which time and place they will be publicly opened and read, for performing work as follows:

San Mateo County, in Daly City, at the junction of Skyline Boulevard and Route 56 (IV-S.M.-55, 56-DIC), steel sign structure to be constructed, sign illumination system to be furnished and installed and highway lighting to be modified.

Plans and specifications, and forms of proposal, bonds, and no bid will be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate heretofore stated, are approximate only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages in the county in which the work is to be done to be as follows:

Rate per hour	Classification
\$3.325	Carpenter
3.37	Cement mason
2.965	Concrete laborer (wet or dry)
3.10	Concrete mixer operator (up to one yard)
4.066	Electrician
2.865	Flagman
2.865	Laborer
3.85	Operator of power shovel, dragline, crane, clamshell, backhoe — up to and including one yard
3.35	Painter (brush)
3.60	Painter (spray)
3.60	Reinforcing iron worker
3.85	Structural and ornamental iron worker
2.75	Truck driver — under 4 yards (water level)
2.81	Truck driver — flat racks under 10,500 pounds

Any classification omitted herein not less than \$2.75 per hour.

Overtime — not less than one and one-half (1½) times the above rates.

Sundays and holidays — not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

GIANT CAMPOREE

San Mateo County To Send 200 Scouts, 18 Leaders To Colorado

Eighteen San Mateo County Boy Scout and Explorer leaders have been named to lead the San Mateo County Council's contingent of more than 200 Boy Scouts and Explorers to the fifth National Jamboree at Colorado Springs, Colorado, in July, 1960, according to Donald Atwater of Menlo Park, chairman of the 1960 Jamboree Committee.

Selected as leaders are: W. J. Cooks, Troop Committeeman of Troop 151; Howard L. Berry, Scoutmaster of Troop 163; and Milton Spiro, Live Oak District Committeeman, all of Menlo Park; Bradley K. Vermillion, Explorer Advisor of Post 212, East Palo Alto; George N. Treat, Scoutmaster of Troop 206, Atherton; and Donald O. Carter, Scoutmaster, Troop 190, and Gray Alan Wilson, Thunderbird District Commissioner, both of Redwood City.

Keith Cummings, Scoutmaster of Troop 154, and Leroy Helsel, Jr., Explorer Advisor of Post 153, both of San Carlos; and a Donald B. Tweedy, Scoutmaster of Troop 35, John W. Stueck, Scoutmaster of Troop 170, Joseph Hardman, Neighborhood Commissioner, Ernest H. Hills, Chairman of the Advancement Committee, and George B. Silliman, Assistant Scoutmaster of Troop 17, all of San Mateo.

Thornton W. Mitchell, Scoutmaster of Troop 28, Burlingame; John T. Montgomery, El Camino District Commissioner of San Bruno; Ray Stull, Northern District Commissioner of South San Francisco; and Herbert H. Stettler, Scoutmaster of Troop 129, Broadmoor Village.

Thirty-seven Boy Scouts and Explorers have already registered for the Jamboree. Attending from Redwood City are Donald Sall, George Roberts, Dan Willmson, James Rambo, Ronald Masters, Jim Jeffries, Mike Frahm and Rick Wilkins, members of Troop 120; David Cohen, Ronald Carter and David Powers, Troop 190; Richard Crapuchettes, Troop 300; and Bob Einhouse, Dennis Kennedy, Ronny Hanford and Jeff Fisher, Troop 326.

Participating from Belmont and San Carlos are Robert Bettenger, Pack 61; James Bettenger, Troop 27; David Vallegria, Troop 161; Ripley Sears and

Two Outboard Motors Stolen

Two outboard motors were taken from the Daly City Boat Shop, 7490 Mission street, last Friday night.

Oddly, the burglars took one used motor when there was access to other new motors in the establishment. They broke in through a sliding door, located on the side of the building, by breaking a lock.

Lloyd Delvo, boat shop owner, said the wires holding the motors to the boats were cut with a pocket-knife. Broadmoor police have the knife which was conveniently left behind by the thieves.

CIVIL WAR SUBMARINE

During the Civil War, the Federal Navy paid a Frenchman \$10,000 to build a submarine to sink the Confederate iron-clad Merrimac. But when a naval officer arrived to take command of the finished vessel, the inventor had disappeared (with his \$10,000). As no one could figure out how to work the gadget, it never was of any use to the Navy.

The submarine Archerfish sank the largest man-of-war ever downed by a submarine when she sank the 59,000-ton Japanese aircraft carrier Chinano on November 29, 1944.

106 Brownies Learn The Ropes At Camp Mattrup Training Site

By Servat Ojakian

"Mud, Mud, Mud. Oh where Mud?"

No, it's not "Mud in Your Eyes" but Mud, the camp name for a Girl Scout aide-in-training at Camp Mattrup in Daly City.

Mud, Sky, Cloud, Sap, Pebble, Skunk, all camp names for Girl Scout leaders and aides-in-training. It all adds to the fun and pleasure of outdoor living.

Brownie Girl Scouts of the Daly City-Colma area, who are second and third graders, are having the time of their lives in Camp Mattrup day camp at Colma.

There are 106 Brownies and of these, 24 are in the third grade, according to Mrs. Eve Liberato, Camp Director.

Most of them don't even know how to light a match or start a campfire, and that's the first thing they are learning.

"May I be the first to rub two sticks together to start the fire?" chimed in one little

Brownie. (I wonder who ever starts a fire that way?)

Eight junior high age and high school age Girl Scouts are acting as aides-in-training. They help the leaders with the camp work and at the same time gain skill and experience in youth work.

The girls usually take nose-bag lunches with them but on some days, they have a cook-out. They enjoy this very much.

At 2:45 p.m. each day, there is a flag ceremony. The older aides-in-training Girl Scouts teach the young ones how to go about it.

Several mothers are acting as baby sitters for younger children who cannot attend Camp Mattrup with their moms. They are using the Colma School and playground for this purpose.

Last week's camp session was the last for the Brownies, but there will be another for intermediate Scouts this week.

Seek Truck Driver In Hit-Run Case

A hit-run truck driver is being sought today on the report of an onlooker who saw him back into a small foreign car Friday afternoon and then speed off without reporting the incident.

George M. Pavloff, 748 Midway avenue, Colma, found a note on his car's windshield giving the license number of the truck which struck his auto in front of 6718 Mission street. The note apparently was written by a witness and not the truck driver.

Pavloff's insurance company is checking the truck's license.

Temple Judea Opens Religious School Signups

Enrollment is now being taken by Temple Judea Religious School for children who will be 3 years and 6 months by September 13. These children are eligible for the pre-kindergarten class to commence this fall. In addition, enrollment may also be made now for kindergarten through grade 10.

Special activities for youth of the congregation which will continue throughout the summer are the youth groups for junior and senior high-school students and a children's choir as well as the adult volunteer choir.

Temple Judea Sisterhood is now actively engaged in its annual rummage drive, with all proceeds going to the Religious School. Anyone wishing to contribute to the drive is urged to call the Temple House office, PL 5-9463.

Cantor Harold Wachter will officiate at Sabbath Services this Friday evening in the absence of Rabbi Irving F. Reichert, who is now on summer vacation. These services are conducted every Friday evening at 8:30 p.m. with a reception following at the Westlake Temple House, 95 South Mayfair. Everyone is invited to attend.

Druid Ladies Set 2 Events

Hillcrest Circle No. 143, Ancient Order of Druids, held an officers meeting on June 30 at the home of past archdruidess Rita Garabedian, according to Mrs. Chrystal Schuesler, publicity chairman.

Plans for ensuing months and events for this month were discussed. Meetings will be held at Eagles Hall, 3344 San Jose avenue, on Monday, July 13 and on July 27.

The July 13 date has a dessert-whist scheduled for 12:30 p.m. with a regular meeting and special social at 8:15 p.m. On July 27 the regular 8:15 p.m. meeting will be followed with a game for members.

Westlake Missile Unit Sergeant Is Promoted

Sergeant First Class Charles E. Bethel, Battery A, 4th Missile Battalion, 61st Artillery, was recently promoted from SFC E6 to SFC E7. He is stationed at the Westlake NIKÉ Missile site.

The Philadelphia-born sergeant has been in the Army since January, 1946. He has been active in the Army and has received many awards and decorations, among them the American Theater Service Medal, World War II Victory Medal, Army Occupation Medal-Germany, and the National Defense Service Medal. He is a reserve warrant officer.

The recent promotion was given at Fort Winfield Scott after Bethel passed 30th Artillery Group (Air Def) and 40th Artillery Brigade, Fort Baker, promotion boards. His present duty is Fire Control Mechanic at Battery A, 4th Missile Battalion, 61st Artillery.

after SFC Bethel passed 30th Artillery Group (Air Def) and 40th Artillery Brigade, Fort Baker, promotion boards. His present duty is Fire Control Mechanic at Battery A, 4th Missile Battalion, 61st Artillery.

Bethel, his wife, Lois, and their two children live at 800 East Main street in Turlock.

FOR ADULTS OF ALL AGES

USF To Open \$40,000 Electronic Language Laboratory This Fall

The University of San Francisco will open the facilities of its new \$40,000 electronic language laboratory to the general public this fall, enabling men and women to learn a foreign language on their own time.

French, German, Italian and Spanish will be offered, with Russian to be added later.

The program will provide maximum utilization of the modern, electronic teaching apparatus which allows an individual to proceed at his own rate of speed in learning a foreign language.

The laboratory is equipped with 60 individual booths containing dual turntables, earphones, microphones, and intercommunication system with a central control room. A student may listen to the master record as many times as desirable, and can repeat and record on his own record.

The Rev. P. Carlo Rossi, S. J., designer and director of the language laboratory, will direct the program for the general public. It is open to men and

women for non-credit and begins on September 15.

Times in the laboratory will be established by individual arrangement.

Kusber Family Fuchsia Garden Sight To Behold

Mr. and Mrs. Joseph Kusber of 60 Werner street, Daly City, started their enchantingly lovely fuchsia garden only a year and a half ago, and now it's one of the show places of the community.

In mid-August, when most of the plants are in full bloom and a sight to behold, Kusbers will throw open their garden gate and allow three garden clubs to view their 145 varieties of fuchsias.

The Kusbers' daily work in their garden is a labor of love, and Daly City's charming "foggy" climate is ideal for promoting healthy fuchsia plants. They love the moist, drippy, weather and thrive on it.

Mr. and Mrs. Kusber are both very active members of the Jefferson High School PTA, and she is this year's president. They plan on showing the fuchsia film to members of the PTA at one of its monthly meetings.

WESTMOOR HIGH PAIR BOOKED FOR THIEVERY

Two 13-year-old Daly City boys were sent to Hillcrest Juvenile Home last Friday after the theft of a \$500 ring and a polaroid lens camera.

William Berry, 1308 South Mayfair avenue, notified police that the camera was removed from his car which was parked in front of his home. One of the boys admitted he stole the camera and also a sword from another auto parked nearby.

The ring belonged to the mother of one of the delinquents.

The boys, both ninth graders at Westmoor High School, were turned over to Hillcrest officials.

FACT they had lots of fun at Colma's Camp Mattrup for North County Girl Scouts is evident on the faces of these local Brownies. In rear row are

Susan Jensen, Donna Starkovich, Brenda Tiedje and Irma Casas. Middle row are Lynette Taylor, Arline Johnson, Linda Thompson and Carol

Beukers. Up front are Kristine Hein, Irene Fredericks, Sandra Swartsfager and Janice Gray.

Local Medical Care Program For Vets Told

Paper work for the Veterans Administration home-town medical care program will be reduced substantially by a new system of mechanized records writing becoming effective July 1, the VA said today.

Under the nationwide home-town program, veterans with service-connected disabilities receive medical care at VA expense from some 38,000 private physicians of their choice, in areas where care at VA outpatient clinics is not available.

VA said the new records writing system will save considerable time for both the agency's personnel and private physicians in the program.

Forms to be completed monthly by the doctors have been reduced to two—a report of treatment rendered and the doctor's bill to the VA for his services. Both are designed to make his writing job brief.

The name and address of the private physician, the name and address of the VA office handling the forms, and the name and VA claim number of the veteran receiving treatment will be printed on the forms by VA addressograph plates. Use of window envelopes will make addressing envelopes unnecessary.

The doctor also will receive from the VA an annual authorization for treatment for each of his patients in the program, valid for approved treatment during the year as needed.

VA advises doctors participating in the program to mail their treatment reports and billing statements together to the agency, promptly at the end of each month.

These forms will be machine-processed by a punch-card system at VA regional offices following medical approval.

Wheel Stealers

Two more wheels have been stolen from the Neville Ford Company, 7360 Mission street. Special Officer Richard Leahy told Officer Ralph Warren that two rear wheels were missing from a car at the back of the new car lot opposite Jefferson High School.

The wheels were taken between 3:30 and 4 a.m. Friday. Warren said two front wheel lugs were missing, which indicated the wheel stealers were apparently frightened and fled.

North Peninsula ORT Announces Annual Barbecue

The Northern Peninsula Chapter of Women's American ORT (Organization for Rehabilitation Through Training) will hold its third annual summer barbecue this Saturday at the home of Mr. and Mrs. Joseph Cooper.

The fete begins at 7:30 p.m. and includes chicken, dinner and games.

Co-chairmen are Mrs. Abe Sarnoff and Mrs. Frank Bernstein. For reservations, call PL 5-1488 or JU 3-6098.

Funeral services were held Wednesday afternoon for Joseph Galassi who died on July 5. He was 50 years old, a teamster, and lived at 788 Templeton avenue for the past nine years.

He is survived by his wife, Grace L. Galassi. Interment was at Golden Gate National Cemetery.

John B. Carlson

Funeral services were conducted Wednesday afternoon at Lasswell's for John B. Carlson, 73, 134 Los Olivos avenue. Interment was at Cypress Lawn Cemetery.

He died on July 5 after a long illness. He is survived by a wife, Lillian, and was the father of Thomas A. Carlson, James J. V. Folley, Mrs. Elsie Schultz and Kathleen Arias.

A native of Sweden, Carlson left nine grandchildren and a great-grandchild.

Thursday, July 9, 1959

THE RECORD—Page 5

Lake Merced Optimists Elect Chris Malamis

Christopher Malamis, operations officer at the Westlake branch of Bank of America, was installed new president of the Lake Merced Optimist Club at a dinner held June 27 at the Officers' Club, San Francisco Naval Shipyard, Hunters Point.

Other officers for the coming year include Kenneth Fahy, first vice-president; Steve Burke, second vice-president; Charles Christian, D.D., secretary; Joe Brickley, treasurer; and Kai Larsen, sergeant-at-arms. Members of the new board of directors are John Gold, D.D.S., Walter Pickens, Vincent Rovetti, Charles Maroosis, Walter Brodie, Carl Davis, and Adrian Willis, D.D.S.

Dr. Charles Edward H. Bates, outgoing president, was presented with a bronze plaque as a token of appreciation for his outstanding work during his term.

Installing officer was Larry Brickert past Lt. Governor of Zone 1, District 20.

Troop 243 Sets Annual Picnic At Flood Park

Boy Scout Troop 243 will hold its annual picnic on Sunday, July 26, at Flood Park. Free pop and ice cream will be served for all children and coffee for the adults.

The day's fun will be shared by Cub Scout Pack 243 under the leadership of Cubmaster Olin Craig and Rip Harrison.

A group of the Boy Scouts will camp out over the weekend of July 18 and 19. A good turnout is expected as this will be the last overnight trip before departing for summer camp at Camp Royaneh early in August.

OBITUARIES

Joseph Galassi

Funeral services were held Wednesday afternoon for Joseph Galassi who died on July 5. He was 50 years old, a teamster, and lived at 788 Templeton avenue for the past nine years.

He is survived by his wife, Grace L. Galassi. Interment was at Golden Gate National Cemetery.

John B. Carlson

Funeral services were conducted Wednesday afternoon at Lasswell's for John B. Carlson, 73, 134 Los Olivos avenue. Interment was at Cypress Lawn Cemetery.

He died on July 5 after a long illness. He is survived by a wife, Lillian, and was the father of Thomas A. Carlson, James J. V. Folley, Mrs. Elsie Schultz and Kathleen Arias.

A native of Sweden, Carlson left nine grandchildren and a great-grandchild.

Resuscitation Try Fails As Templeton Ave. Man Succumbs

Joseph Gallassi, 50, of 788 Templeton avenue, was pronounced dead on arrival at Junipero Serra Hospital Sunday evening after police were notified that he was having a seizure.

Officers Charles Terry and Frank Murray arrived at the home of Gallassi's son-in-law, Thomas Starrett, 1026 Huron street, and found Starrett giving artificial respiration to the victim. Gallassi was immediately turned over and given mouth-to-airway resuscitation by the policemen.

He then was transported to the hospital but the emergency call proved too late.

Neville Ford Again Raided By Thieves

Neville Ford Company was struck for the third time in two weeks as two carburetors valued at \$60 were taken from the 7363 Mission street used car lot sometime between Friday and Sunday.

Bud Fuller, acting sales manager, notified police of the theft.

Please Let Grandpa HEAR Again!

What a blessing to hear the voices of little children and your loved ones. For most people who suffer a hearing loss a hearing aid properly fitted will open a complete new world of happiness once again.

Here's important information for the hard-of-hearing. Don't you wonder, with all the claims made today by the manufacturers of hearing aids, what the real facts are? Now you can have a free booklet "True Facts About Hearing Aids." This is put out by world-famous Tonemaster—manufacturer of superior quality hearing aids. In the booklet is no double talk—just plain, common-sense language telling what actually can be done for the hard-of-hearing to let you enjoy life more. Take the first step to see for yourself what hearing aids can or cannot do for you. Write today.

THEIR signatures brought a great new store to Westlake. Signing the leases for Sterling Furniture Company's new Westlake Shopping Center store are (left to right): William Holtom, chairman of the board of Sterling Furniture Company; Peter Saxe, president of Sterling Furniture Company, and builder Henry Doelger. It is expected that the new store, which will have 16,000 square feet of selling space, will be opened this summer. It will feature a complete line of modern home furnishings.

ACTIVITIES APLENTY

'Family Nights' Here Next Week Feature Summer Parks Program

Daly City Department of Parks and Recreation Director Dee Van Nest today announced that a program of "Family Nights" have been scheduled for the local playgrounds.

Parents are invited to join their children in an evening of fun from 7 to 9 o'clock next week. The program will vary from site to site, but a general program might include a father-son softball game, a mother-daughter volleyball game, and for the less active, quiet games will be available. Refreshments will be served.

War Memorial Community Center, Vista Grande School and Marchbanks Park have combined for this event next Tuesday. The War Memorial Community Center will house the evening of fun.

Crocker School, Lincoln and Frankfort playgrounds will stage a Family Night program at Crocker School next Tuesday. Westmoor High's program also is scheduled for Tuesday, as is the one at Vista Mar School.

Parents of Colma School playground children are invited to participate in the family program on Tuesday, July 14. The evening of fun will be held at Colma School.

Westlake Park, Olympia School and Westlake School will join forces at Westlake Park on Wednesday, July 15, from 7 to 9 p.m.

Jefferson playground will also hold its Family Night on Wednesday, July 15.

Garden Village and Benjamin Franklin are also planning a

get-together. The date is to be announced.

Children should see their playground leaders for more information.

DC Driver Tied For Belmont Stock Car Lead

Two drivers are tied for point leadership in the new NASCAR Stock Car Claiming Division which races Friday nights at Belmont Speedway.

Glenn Ward of Daly City moved from eighth to the top but Tom Dunne, San Francisco, with a narrow victory over Ward last week, rolled up enough points for the tie.

Victim of a smashup in the main event, Mel Kain, Oakland, lost his point lead and dropped to eighth place.

Officials announced that this Friday night's stock car and jalopy races, with any racing car subject to claim by fan or participant for \$99, will be a "Win, Place & Show" program. Prize money will be paid in every event, top three places only, instead of all being paid in the semi and main as usual.

Points to apply toward the ten championship trophies in this division at season's end will be given in the main and semi-main. Because of increasing number of cars, a B-Race (semi-main) championship trophy will be given also, NASCAR announced.

Unbeaten List Reduced To 3 In Midget Loop

Parkmerced, South Sunset Whites, Pomona Tile Giants, and Broadmoor Youth Association were victorious in the third week of play of the Summer Midget Baseball League sponsored by the Daly City Department of Parks and Recreation.

Parkmerced defeated Winter-Menzie Flying A 16-4, with Rich Heintz going the seven-inning distance for the winners, allowing only three hits.

South Sunset Whites rallied for a 7-6 victory over San Pedro Lunch.

Pomona Tile Giants topped St. Emydius from the undefeated ranks as young Dennis Earnshaw tossed a two-hitter.

Rudy Luelsch ruined Earnshaw's bid for a no-hitter by getting both hits for St. Emydius, one three bagger and a single. Earnshaw showed good control by fanning 12 men.

Broadmoor Youth Association defeated Our Lady of Mercy's Braves 10-3.

JEFF TEACHERS WIN SNELL PTA SOFTBALL TITLE

Jefferson District Teachers defeated the Broadmoor Police, 6-5, to take laurels as softball champs in the James L. Snell PTA Recreation League.

Third place went to the Community Kids and fourth place to the Daly City Post Office team. The league started in the middle of May and lasted until this month.

The Broadmoor Police smacked the Teachers down in a semi-final game, 18-3, but the teachers came back behind the pitching of Bill Mendosa to win the championship.

Members of the winners are Bill Mendosa, Vint Stratton, Frank Ramirez, Tony Giammona, Bernie Paulsen, Don Pagan, Carl Hunter, John Lupino, Fred Schweickhardt, John Belforte, Ron Daugherty, Bob Brown, Ron Losberger, Harry Aronson and Roy Sammons.

164 Cars Set For Destruction Derby Saturday

Judging from advance ticket sales, the stands will be jammed with fans to see a record 164 cars for Saturday night's giant Auto Destruction Derby at Belmont Speedway.

Advance notices called for 150 cars, but when it was announced last week that the track would be dismantled at the end of this season, promoter Ted Smyth was swamped with additional team entries. After a check of infield space, Smyth called a halt at 41 squads of 4-men each.

An extra section is also being added to the bleachers erected on the back stretch, as a record-breaking crowd is also anticipated to reach near the 6000 mark.

Many of the team rosters include names of leading speedway pilots, with the \$1200 cash prize as the magnet, \$500 going

EXTRA INNINGS

Champion Pomona Tile 9 Beats Junior League All-Stars, 7-4

Undefeated Pomona Tile Juniors won their tenth straight game by pushing three runs across the plate in the top of the ninth inning to drop the Junior League All-Stars, 7-4, at Marchbanks Park before 175 fans last Saturday.

The All-Stars forced Pomona Tile into extra innings for the win in the scheduled seven-inning affair.

While Pomona Tile's Bob Gonzales tossed a nifty three-hitter, the winners also had to rely on the sun to bring home the victory. With two outs and runners on first and second in the ninth inning, Ray Calcagno lofted a seemingly routine out to center field.

The ball was lost in the sun and Calcagno landed on second base. Calcagno scored the final run on Bruce Hix's single.

The game was a heartbreaker for the All-Stars. They led 3-0 up to the fifth inning and 4-3 going into the final frame. Three walks and an error gifted the All-Stars to their first run in the opening inning. They added two more in the

third on Spencer Bader's shot to center field. The Pomona crew scored once in the fourth and twice in the fifth off the strength of Mike Earnshaw's double.

Dave Cerracola was hit by a pitched ball, stole second and scored on a double by All-Star pitcher Joe Lara who had replaced starter Dan Luciano.

Hopes for a victory looked dark for Pomona as two innings went by and there was one out in the final inning. Earnshaw singled, stole second, went to third base on a wild pitch and scored the tying run on a fielder's choice play.

Second baseman Barney Colangelo had no choice but to throw Jeff Bessa out at first as Earnshaw tallied the run. The Pomona Tile nine scored the three victorious runs on the aforementioned "sun" hit.

Fielding gems were turned in by Pomona Tile's Ed Perry and by the All-Stars on an around-the-horn double play from Bill Castor to Colangelo to Terry Ward.

SUMMER LEAGUE

Krohn's 2 Hitter (13 Strikeouts) Opens Winning Weekend For DC 9

Barry Krohn's lucky number must be 13.

The strong southpaw struck out 13 Meyer Safety Switch batters to lead the Daly City Drugs to a 9-2 two-hit victory Saturday at Sweeney Field and retain the local team's first place San Francisco "C" league standing.

Catcher Bob Beard was Krohn's nemesis, getting both of the hits. Neither of the hits figured in the scoring of the two unearned runs. Don Gualco pitched a better game than might be indicated by the score but sloppy fielding by his teammates added to his downfall. He struck out nine of the Druggers.

Leading hitters for the winners were Bill Hynes, 3 for 4, Krohn, 2 for 4, and Mikie Roval, 2 for 3.

The Creighton-Krohn nine on Sunday broke open a seventh inning tie ball game in the eighth with a three-run rally to take a 6-4 decision

over Li'l Village team. Terry Christian surrendered mound duties to Larry Kane, the winning pitcher, after the Villagers tied the game with two runs in the seventh off Christian and nicked Kane for an eighth run in the bottom of the eighth.

Skipper Crude led off the eighth with a walk. Christian also drew a base-on-balls. Hynes sacrificed them to second and third. Billy Hix's perfect bunt went for a base hit, scoring one run. Krohn batted Christian across the plate and Hix scored on an error.

Don Kunkle, Li'l Village catcher, was the hitting star with 4 for 4 and the game tying hit. The Daly Cityites now have a 2-1 record in Sunday league play.

Tom Bournellis' team will play Pacifica Sea Bowl this Saturday at 10 a.m. at Balboa Park and travel to South San Francisco to meet the PAL nine at Orange Field at 11:30 a.m. Sunday.

Regardless Of Experience, Lady Bowlers At Swanson's Have Fun

By Leon Cohn

Once upon a time. That is the way most fairy tales began. But how does anyone start to say that the bowling scores of the women have been overlooked. True, the masculine members in the long run bowl higher, thus shunting the fair sex by giving top billing to the men.

On the other hand, have you ever heard the squeals let out by the kieglerettes on Swanson's Westlake lanes? Thus is just a way of the women bowlers expressing their delight in either picking up a split, making a spare, or getting a turkey. And for a 200 game their joy knows no bounds.

This is what happens to the new bowlers. Those who have been bowling for a long period take matters in stride but still enjoy a good score or series.

Bowling only a few short months, Helen Vincent broke through with her first turkey in the Early Risers league to register her best series, a 466 Helen is one of the very few women bowlers in the nation with a southpaw style.

Oddities do come to the fore on the bowling lanes. Names such as Jones, Smith and Brown are very common. But here at the Westlake lanes, two ladies, not related, have the name of Betty Altamirano. One rolls in the Sweeper league and the other in the Sleepy Time Gals. The Betty from the latter league picked up the 7-6-9-10 split.

Peg Brown, a 127 average, bowled games of 159-158 and 186 for 503 to lead her team, Rangraves Printing, to a three-game victory over Puritan Preserves. The win enabled the printers to emerge from the cellar in the Long Hot Summer league.

In the Telco group, Pauline Wood of the Head Pins finished with a 190 to win the last game by three pins over their opponents. Her series total was 512.

Pat Bertsch bowls one good game and then gets unlucky. It seems to be a habit. Pat started out in the "500" Mixed Trio with 193, dropped to 141, came on with a 226 game, then finished with 140 for an even 700 series.

What happens at home when

to the last team cars running. Seeking the lucrative award will be Magna-Craft and D. C. Autos, Daly City; Middlefields, Menlo Park; Valencia Bros., South San Francisco; Vans Auto, Palo Alto, and Don's, San Carlos.

Starting time is 8:30 p.m.

SIGNS of change are going up in Westlake Shopping Center. Henry Doelger (with hammer) puts up the first announcement of the big new Sterling Furniture store coming to Westlake this summer. With him are (left to right): Hartford Rapp Jr., leasing agent; B. Poncetta, vice president of the Doelger organization; Peter Saxe, president of Sterling Furniture Company, and at the extreme right, Car Vedell, general construction superintendent of Henry Doelger Builder, Inc.

TOWN GOES WESTERN

300 Cowboys, 200 Horse Experts All Set For Salinas' Big Rodeo

The oakwood is stacked beside the 48-foot barbecue pits, a ton of steaks is aging, the lettuce is firm and sweet and everything is ready for the traditional "Big Hat Barbecue" which July 8 will usher in another great Western celebration at Salinas.

The Big Hat Barbecue, held at the Monterey County Sheriff's posse grounds on historic Natividad road, is annually the signal for the local populace to don Western attire and 1500 of them in cowboy hats, boots and shirts of every hue will dine under the oak trees.

One-sided Tilts Mark Debut Of Adult Softball

One-sided scores marked the first week of play in the Adult Softball League sponsored by the Daly City Department of Parks and Recreation.

William Lagomarsino & Co. defeated the Sarto Athletic Club 15-4, as pitcher Vic Drago scattered four hits in the first six innings Sarto A.C. was bothered with frequent errors and wildness.

Newcomer to the Daly City League, Consolidated Schools, defeated Baroni's in a game that saw the hitters take control 14-5. Dick Santiago collected three hits and drove in five runs for the winners. Ed Quintaras slammed three hits for the losers.

The Daly City Drugs displayed power aplenty and pennant potential as they downed Dan Goodwin Roofing Company 17-1. Barney Sherman pitched a neat four hitter for the victorious team and gave up only one walk.

Ralph's Cleaners drew a bye. Games are played on Tuesday at Colma, Wednesday at Westlake Park, and Thursday at Marchbanks Park. Starting time at each site is 6:30 o'clock.

Soon will come the cowboys converging upon Salinas from every state in the union, including Hawaii, to tackle the rough stock the arena committee has picked, bronc by bronc and bull by bull, from the top strings of three of the country's leading stock contractors.

Soon, too, will come the pick of Western horses to compete in sixteen classes of the California Rodeo Horse show, the young entrants in the "Sweetheart" contest, the glamorous trick riders in their colorful costumes and outstanding rodeo specialty performers from this country and Europe.

There will be a children's parade on Wednesday evening July 15; a parade of horses through the downtown area each day of the rodeo, and the fabulous Colmo del Rodeo lighted night float parade on Saturday.

Ambrosio Pair Eye SF Golf Tourney Honors

John and George Ambrosio, father and son who live at 27 Guadalupe avenue, Daly City, have qualified for the championship flight in the Father-Son Golf Tournament this Saturday in San Francisco.

George, a senior at Jefferson high and captain of the school's golf team, recently won low net honors for his age group in the Alameda Junior Tournament.

NOW... G.A.C. MAKES LOANS BY MAIL

A Time-Saving Plan That Is Tops In Convenience!

SIMPLE... MODERN... PRACTICAL

Under the new G.A.C. plan a loan transaction can be handled entirely by mail from start to finish.
